

Faiz Kaliya

FRONTEND DEVELOPER

Sanjan Gujarat,396150 | +919727414054 | faizkalia786@gmail.com

Objective

Aspiring Frontend Developer with a strong foundation in web development technologies and a keen interest in creating user-friendly and visually appealing websites. As a recent graduate who completed a front-end development course at Seven Mentor Institute, I am eager to apply my skills and knowledge in a professional setting. My goal is to become a valuable team member and contribute to the success of the organization.

Experience

Intern Frontend Developer

- Seven Mentor Institute | Pune, Maharashtra (Aug 2024-Feb 2025)

Projects

Portfolio Website Created a personal portfolio website with a clean, modern layout using HTML, CSS and REACT. Integrated GitHub and LinkedIn profiles.

Weather Forecast Application Developed a weather forecast app using HTML, CSS, and JavaScript. Utilized a public API for real-time weather updates and designed a user-friendly interface.

To-Do List Application Built a to-do list app using React. Implemented state management with hooks and local storage for task persistence.

Simple Calculator Website Designed and developed a simple calculator using HTML, CSS, and JavaScript. It features basic arithmetic operations, an intuitive interface, and responsive design for seamless user experience.
